Special Guest Speaker
Jennifer Strickland

Jennifer Strickland is a blessed wife, grateful mother of three, gifted speaker, and former professional model. She once appeared in Glamour and Vogue and walked the runways of Europe, but since leaving the modeling industry she has devoted her life to restoring the true beauty and value of women.

Jen loves to curl up with a cup of coffee, her journal, and Bible – the three ingredients to her inspirational messages on faith, beauty, and all the ways God gives us a life of More.

As a speaker, Jen draws upon her past as a model to help women and girls find their *real* beauty, value, and purpose. Unveiling the lies of the media about women's worth, Jen deposits true value in her listeners' hearts. She inspires audiences on college, high school, and junior high campuses (public and private), at recovery centers, women's prisons, sororities, and at women's and girls' events. Jennifer also speaks at conferences for writers and to women in leadership.
