Offering You

- *An opportunity for continuing education and layperson training*
- *A chance to network relationally with others across our District*
- *A time for personal spiritual growth and development*

LETTER FROM THE DIRECTOR...

Dear student,

God has placed a call upon your life to serve Him in ministry. It is my joy to welcome you to the Northern New England District School of Ministry. We are honored that you have joined a learning community engaged in developing skills and knowledge for an effective ministry. There are several reasons to continue your education and ministry preparation.

1. If we take our calling seriously, we have a responsibility to grow in our understanding of God's Word and our ability to minister in the church. The people we minister too, will grow proportionately to our level of growth.
2. We are called to be a life-long learner (2 Timothy 2:15). The day we stop learning is the day we stop growing.
3. If we expect to remain relevant in this rapidly changing culture we must continue to refine our skills. Ministering to today's issues are more complex than it was a generation ago.
4. Formal classroom and distant education settings hold the learner accountable. Disciplines are learned and maintained.
5. Continuing your education can open new doors of ministry.

NNEDSOM is designed to meet the needs of busy church leaders. It exists to help you develop the skills, talents, and knowledge necessary to be an effective lay leader or minister. The courses offered through DSOM can qualify you for ministerial credentials. The instructors will invest into your life out of their vast experience and knowledge.

Wherever you may be in your spiritual journey, NNEDSOM is committed to a process that will enable leaders to think biblically, strategically, and creatively in preparing you for ministry in a complex world.

Rev. Ed Shearer
District Director

Equipping and Training for Ministry in the 21st Century

What is NNEDSOM?

- NNEDSOM is a district sponsored and operated ministerial training program that enables individuals to complete the educational requirements necessary for becoming a credentialed minister with the Assemblies of God.
- NNEDSOM also prepares lay leaders for effective ministry in their local church setting.
- NNEDSOM uniquely combines home study, classroom instruction, the student's relationship with a mentor, and active involvement in ministry to set their ministerial formation.
- NNEDSOM seeks to provide the student with the highest quality instruction and resources possible in a practical and cost effective way.
- NNEDSOM gives educational direction, sets an atmosphere for impartation of the Spirit, and guides the student's spiritual development to equip them for effective, full-time ministry.

What are the benefits of NNEDSOM?

1. Builds a strong biblical foundation.
2. Establishes spiritual formation and disciplines.
3. Builds lasting relationships.
4. Develops ministerial character, ethics, and integrity.
5. It is time measured and cost affordable.
6. Provides academic accountability.
7. It is practical in structure.
8. It is flexible and expandable in format.
9. Instills learning disciples in study, time management, and lifestyle.
10. It is direct, hands-on involvement in ministerial training.

Is Bible College a better alternative?

This is a question that only you and God can answer. God's will for your life may, or may not, include a formal educational experience. To determine the answer to this question, you should seek wise counsel from your spiritual advisors and then submit the issue to God through prayer and study of God's Word.

Education can take a formal or non-formal route. A ministerial formal education is done through a college or seminary which issues a formal academic degree at the end of the process. A non-formal education is usually done outside of formally organized schools and results in a diploma or certificate.

NNEDSOM is a non-formal route designed to deliver the elementary and necessary levels of education required for the credentialing process of the Assemblies of God. However, NNEDSOM is not an inferior education when understood as to its purpose. Even though NNEDSOM follows a non-formal approach, it is based on sound educational principles and goals.

Optimally, NNEDSOM is designed to engage the student in the process of becoming a life-long learner. Professional ministry, such as being a pastor/teacher, generally leads one further and further along the quest for knowledge. Students who begin with NNEDSOM

are encouraged to seek more formal education to enhance and augment their educational experience.

Note: Completion of NNEDSOM courses does not automatically qualify you for credentialing.

What are NNEDSOM's guiding principles?

- NNEDSOM is **NOT** a college or university. Individuals who are able to attend college or seminary are strongly encouraged to attend an endorsed AG college or seminary! (www.colleges.ag.org)
- NNEDSOM is **NOT** an accredited school. Students must **not** expect that their NNEDSOM courses will be accepted by any AG college, Bible school, or other accredited college.
- NNEDSOM is **NOT** the same as Berean School of the Bible or Global University correspondence education. NNEDSOM satisfies the same credentialing requirements. Berean offers students correspondence courses that can be taken at any time and at the student's own pace. NNEDSOM courses are only available at specific times.
- **NNEDSOM is NOT the same as credentialing.** NNEDSOM certainly helps applicants meet the educational requirements for credentialing. Credentialing within our Fellowship is an altogether separate process with its own exams, application and forms, and interview. Students interested in seeking credentials should contact the District Secretary's office for additional information.
- NNEDSOM IS about helping those who want to grow in their understanding of the Bible and ministry. It provides the instruction, interaction, accountability, and relationships that are not available through correspondence courses.
- NNEDSOM IS for those who need to complete their educational requirements for credentialing within the Assemblies of God.
- NNEDSOM IS for laypersons who may not be interested in credentials or full-time ministry, but who want to learn more about the Bible and improve their ability to serve Christ and their church.

Endorsement and Accreditation

The Northern New England District School of Ministry is recognized and endorsed by the Executive Presbytery Board of the General Council of the Assemblies of God as a District-Based Bible Institute. NNEDSOM is a member of the Association of Assemblies of God District Schools of Ministry.

Statement of Purpose

Subscribing fully to the Statement of Fundamental Truths of the Assemblies of God, NNEDSOM is committed to proclaiming and supporting the principles and polity of the Assemblies of God. Additionally, our school commits itself to provide training courses that meet District and General Council educational requirements for ministerial credentials.

Structure

Classes are conducted once a month, nine times a year, in a two semester format (Fall and Spring). Three courses are offered each month of the semester, one for each corresponding credential level (certified, license, ordained). Students participate in five

hours of classroom instruction on Saturday (9:00 am - 3:00 pm). Prior to class, each student is **required** to read through the course text book and complete the study guide. A minimum 10 hours of preparatory work is necessary. With classroom time, students will have invested 15 hours or more per course.

Classroom instruction provides an overview of the material, practical applications, and opportunity for questions and discussions. The classroom session ends with a final exam. Courses are taught by District officers and Directors, Presbyters, and seasoned pastors with expertise and experience in the field of study. Instructors use personal experience and a variety of teaching methods. Occasionally, Bible college professors will serve as guest lecturers.

Cohorts

Since the goal of DSOM is to allow classroom discussion and peer interaction, we will be looking to form cohorts of at least two students to go through each course. If there are not enough students to form a cohort for a particular course at any of the locations that course will not be offered there during that semester. Students will be notified at least two weeks in advance if there are changes to course availability at their location.

Class Schedule

Saturday

Student grading is weighted according to the following scale:

Study Guides	40%
Class Participation	20%
Final Examination	40%

The grading of the student study guide and final exam is done at the district office. Class participation is graded by the instructor and immediately submitted following class to the district office. A certificate of completion is awarded to each student upon a satisfactorily passing course grade (70% is considered a passing grade).

A NNEDSOM diploma is awarded to each student upon completion of each diploma level:

Student Policies

1. Students are required to register no less than four (4) weeks prior to class date for the course chosen. The course must be paid for at the time of registration. There are NO EXCEPTIONS TO REGISTRATION DEADLINE OR PAYMENT REQUIREMENTS. This is part of taking personal responsibility for learning and maturing.
2. Students are required to complete minimum of ten (10) hours of preparatory self-study in advance of the class session. Students are required to read the course textbook(s) and to complete the course study guide **prior to class**.
3. Students are required to bring two (2) **typed** copies of their study guide to class, one to be submitted for grading and one to be used for classroom review. These are to be ready when the student arrives for class. Hand written study guides WILL NOT be acceptable. Ten (10) points will be deducted for each day that study guide is over due.
4. Students are required to attend the five (5) hour class session. Failure to do so will result in major grade deduction for class participation. Failure to show for class will be graded as a 0.
5. Students are expected to arrive at least 15 minutes prior to start of class. Classes start at 9:00 AM and end at 3:00 PM.
6. Students are responsible for their own travel, lodging and lunch.
7. Students auditing class only are not required to purchase texts or complete assignments and exam.
8. Students can be enrolled in both a course with Berean School of the Bible and a course through NNEDSOM. Courses completed through Berean are transferable to NNEDSOM for credit.
9. NNEDSOM will accept credit for courses taken through other Bible schools on a case by case basis. NNEDSOM courses may not necessarily be accepted by other schools.
10. Enrollment and tuition fees are non-transferable or refundable. However, if a cancellation of a class occurs as a result of NNEDSOM, students are provided the option of a refund or of transfer of their tuition to another course being offered.
11. Class dates are published well in advance to allow students to plan their personal schedules around NNEDSOM weekends. **It is the students responsibility!** When a student is unable to attend NNEDSOM, courses may be completed through Berean, the self study ministry training program of the Assemblies of God.

EMERGENCY ABSENCES

If a student cannot attend all, or part, of a class session due to an unforeseen *emergency*—such as illness, family crisis (injury or death), or church/ministry crisis (parishioner injury or death), it is the responsibility of the student to contact the director prior to missing the session. If such *emergency* occurs during class session, it is the student's responsibility to inform the instructor prior to leaving.

A make-up assignment relative to the course of study will be determined by the NNEDSOM Director and course instructor. The assignment must be completed and submitted within one month of the absence for credit for the course. If the student chooses not to complete the assignment, the student will not receive credit for the missed session. Final exams must still be completed.

NON-EMERGENCY ABSENCES

Students who do not show up for scheduled class for any reason not listed are automatically graded a 0 (zero) for class participation (20% of final grade) and will be receive a grade of 0 (zero) for the final exam (40% of final grade).

STANDARDS of ACADEMIC INTEGRITY

Participation in the Northern New England District School of Ministry (NNEDSOM) requires adherence to basic standards of academic integrity. Any violation of these standards may result in disciplinary action ranging from lowering a grade to dismissal from NNEDSOM, depending on the severity of the infraction. This will be determined on a case by case basis.

In addition, a notation of the violation will be placed in the student's permanent file, which is reviewed by the district credentialing committee (presbytery), during the credential processing with the Northern New England District Council of the Assemblies of God.

The following examples represent some basic types of behaviors that are unacceptable. This is not an exhaustive list.

1. Cheating on the final exam.
2. Submitting work done by someone else as your own.
3. Copying or paraphrasing someone else's essays, projects, study guides or other work and submitting it as your own (plagiarism).
4. Obtaining or giving an unfair advantage by sharing completed study guides. NNEDSOM is a Christian ministry development program serving to equip men and women to fulfill God's calling on their lives. Christian conduct and character are expected among students and faculty and should guide all written and verbal communication and assignments.
5. Students are expected to complete the required course assignments by their own efforts. While it is reasonable and beneficial for two or more students from the same family, church, or community to study together, it is essential that each student's work be his or her own endeavor. Students should not combine their study results to make a common line of thought that appears identical on multiple pre-class study guides. Situations of this nature will be brought to the attention of the NNEDSOM Director and will be investigated to determine if discipline is warranted.

Disclaimer

Classes offered by the Northern New England District School of Ministry meet the educational requirements for credentialing with the Assemblies of God. However, participation and completion of the classes does not assure **nor give advantage for granting of credentials** or give preference in the credentialing process.

The credentialing process is separate from the District School of Ministry and is determined by the Northern New England District. Final decisions to award ministerial credentials is made by the credentials committee of The General Council of the Assemblies of God, upon the recommendation of the Northern District Council Credential Committee. Ministry Internship Program

INTERNSHIP PURPOSE/MISSION

The NNEDSOM internship strategy enables students to confirm God's call, develop the Christ like character, gain the competencies of ethical and effective ministry and develop the personal disciplines essential to successful life and ministry. The strategy uses guided "hands on" ministry experiences, interaction with qualified pastors/mentors, reading, and the exercise of personal spiritual disciplines to accomplish this mission.

INTERNSHIP OBJECTIVES/GOALS

- Exposure to a variety of skills, and practices.
- Develop effective people and conflict resolution skills.
- Ethical standards of ministry.
- Fulfill the Assemblies of God General Council internship requirements for credentials.
- Minister effectively within the Fellowship
- Seek "best practice" experiences and exposure to effective ministry systems and structures.
- Help students develop skills and gifts for maximum effectiveness in ministry.
- Help students develop the disciplines of effective servant leadership.

INTERNSHIP CHARACTERISTICS/VALUES

- Student Value: Equip students for effective ministry.
- Student Participation: Students participate in the design and fulfillment of these standards and objectives.
- Cooperative Fellowship: Value ministry within the Assemblies of God in a way that faithfully fulfills the vision of a "voluntary cooperative fellowship."
- Biblical Fidelity: Students develop ministry that is faithful to biblical teaching, values, principles, and world view.
- Flexibility: Students can "tailor" their internship experience in ways that better meet their needs and fulfill the requirements.
- Encourage Development: Students value and develop the skills needed to pursue spiritual, personal, and professional development throughout their life.

PASTOR/MENTOR

The selection of appropriate pastor(s)/mentor(s) is critical to the success of the internship process. The term "pastor/mentor" refers to that person overseeing the student's entire internship. Often the pastor/mentor is the senior pastor. **The pastor/mentor must be approved by the NNEDSOM Director and District Superintendent.** The pastor/mentor must be one who is fully cooperative and supportive of the ministries and policies of the District. The pastor/mentor may want to include another minister who has outstanding qualifications to give the intern the "best practice" experience in a given area.

PASTOR/MENTOR QUALIFICATIONS

An appropriate and qualified mentor must be...

- Ordained or credentialed one level above the credential the student is seeking (exception for ordination).
- Not be a relative of the student.
- Willing to follow the policies and guidelines of the DSOM internship process.
- Have demonstrated a proven ministry of cooperation and integrity.
- Have a minimum of five (5) years of pastoral experience.
- Willing to invest significant time in the intern and internship process.
- Refuse to serve as a mentor in those areas in which they lack the expertise or their involvement is not in the best interest of the student.
- Refer students to others who have greater expertise in areas when it is in the best interest of the Student.
- Willing to complete and submit the required DSOM **Pastor/Mentor's Summary & Evaluation Reports** and completed **Student Summary Report** and student's **Prayer Journal** to the DSOM Director at the end of the three (3) month period.
- Be approved by the DSOM Director and District Superintendent.
- Willing to communicate concerns regarding the intern or the internship process with DSOM Director.

SELECTING A PASTOR/MENTOR

Students are to select an "appropriate and qualified" pastor/mentor who meets the standards outlined above. In addition the student is encouraged to:

- Seek a pastor/mentor who exemplifies "best practice" in ministry.
- Recognize that more than one pastor/mentor may be needed.
- End the relationship if the pastor/mentor is unwilling or unable to commit the time needed, comply with DSOM standards or fails to carry out other responsibilities.
- Recognize that their pastor may not be the best pastor/mentor in all areas and seek their recommendation for someone who can better serve.
- Develop a positive working relationship with their DSOM and pastors/mentors based on mutual respect and passion for ministry.
