

Hi Ladies,
 It's time to tell you about the Spring Conferences that will be here very soon! Once again, we have five different Saturday events where you choose the best conference location for you. You will totally love our speaker, Loralie Crabtree, a gem of a lady! The very first time I met Loralie she was working at the National Women's Ministries office in Springfield, Missouri. I remember being so impressed by her excitement and the wonderful things she shared. Loralie and husband, Dan are planting a church in southern New England. They have many life experiences that will help them with their new and exciting venture. You will enjoy Loralie as she shares with us at each session.

Our conference times together provide us with an opportunity to give - not only of our time by attending - but to give from our resources. May I have your help in three major areas of financial giving?

1. **Walmart Gift Cards:** the gift cards help stretch LOVELINE money significantly and are most needed!! Your Walmart gifts give assistance to our missionaries, to AG Family Services (formerly Hillcrest Children's Home, Highlands Child Placement & Maternity Home), and our retired ministers and widows. Your whole church may want to be involved as well in collecting gift cards. *(Please include the receipt with each gift card upon its purchase. Walmart will only honor receipted gift cards if there is a problem.)*

2. **Coin Fund-Coins Build Churches:** Your money donations are used to provide building materials for churches such as assisting them with the purchase of land, new buildings, and furnishing many other practical needs.

3. **Conference Offering:** Finally, there will be an offering taken to meet a very special ministry need (to be announced). *There is a divine purpose in giving. Thank you!*

A *Real WOMEN Real LIFE* Spring Conference is an excellent opportunity for you and a friend to get away & be refreshed in the Lord. The \$20.00 registration fee is an inexpensive way to provide you with a fun day together. It includes your lunch and a great time of fellowship. I am looking forward to seeing you!

Blessings,

Bevie Jo Marquardt

Bevie Jo Marquardt

P.S. Please remember all of our *Real WOMEN Real LIFE* events are **fragrance free**.
