

Hi Ladies,  
 Once again, it's time to send our update about the 2019 Annual Spring Conferences coming to your area. We have four different Saturday events where you may choose the best conference location for you. You will totally love our speaker! Amy Mattson is a registered nurse from Maine who over the years has helped to deliver many babies in her profession. A wife and mother, Amy also embraced the challenge to home school all three of her children. She has an amazing story to tell! You will enjoy hearing her as she shares with conviction the challenge to be *BRAVE through Christ* in every circumstance of life. You don't want to miss this exciting event coming to a church near you!

Our conference times together provide us with an opportunity to give - not only of our time by attending - but to give from our resources. May I have your help in three major areas of financial giving?

1. **Walmart Gift Cards:** the gift cards help stretch LOVELINE money significantly and are most needed!! Your gift cards give assistance to our missionaries, to AG Family Services (formerly Hillcrest Children's Home, Highlands Child Placement & Maternity Home), and to our retired ministers and widows. Your whole church may want to be involved in collecting gift cards. *(Please include the receipt with each gift card upon its purchase. Walmart will only honor receipted gift cards if there is a problem.) \$25 increments work the best.*
2. **Coin Fund-Coins Build Churches:** your money donations are used to provide building materials for churches such as assisting them with the purchase of land, new buildings, and furnishing many other practical needs.
3. **Conference Offering:** there will be an offering taken to meet a very special ministry need (to be announced).

*There is a divine purpose in giving. Thank you!*

A Real WOMEN Real LIFE Spring Conference is an excellent opportunity for you and a friend to get away & be refreshed in the Lord. The \$25.00 registration fee is an inexpensive way to provide you with a fun day together. This includes your lunch and a great time of fellowship. I am looking forward to seeing you!

Blessings,

*Bevie Jo Marquardt*
