SPRING  
EXPERIENCE

Together  
GROW · LEAD · LOVE

**Dear Pastor or Leader,**

As we look toward spring, I'm thrilled to offer the women of your church and community the opportunity to gather with other women for a day of growth! With four locations to choose from and a price that includes a coffee hour and lunch, the Spring Experience provides the space for meaningful connection with Jesus and each other. Doors will open at 9am for registration and coffee hour, and the event runs from 10am - 3pm.

We recommend **on-line registration** (available through the QR code now and at [Togetherwomen.net](http://Togetherwomen.net) by the end of the month). Registration is \$35 in advance, due two weeks prior to the event. At the door, walk-in rate is \$45.

Enclosed you'll find:

- Posters ready to display
- A registration form should you choose the mail-in option

All you need to advertise will be available at **TogetherWomen.net** by the end of month, **OR** you can use the **QR codes** for immediate access!!! You'll find:

- The invitational video to promote at church, women's events, and on socials
- A slide for projection when you announce the event (choose the one for the location your women will attend)
- The poster if you'd like to download it and print additional copies

Growing, Leading, and Loving,  
**Pastor Abi Cyr**

*~ about our communicator ~*

**KELSEY DOMENY** is a coach, speaker, and author. She helps Christians dare to say "yes" to God's next best steps for their lives even when it doesn't make sense. She and her husband, Mike, founded The Grove, a Biblically based business coaching community and have helped Kingdom builders from coast to coast discover, start, and sustain their "God ideas". They also host the *Next Best Yes* Podcast; and their book, *Next Best Yes: Daring to Start What God Put on Your Heart*, is due to be released in March of this year. Kelsey, Mike, and their daughter Addy spend as much time as possible with their pet bunny, Cinnabun, in their Seacoast New Hampshire home.
