SHARING SWEETNESS // CHOOSE A BREAKOUT

Ready to spread God's goodness and make a difference in your community? You will be after this! Choose a breakout to learn about and be equipped to minister to: widows, the foster/adopt community, incarcerated people, or those impacted by abortion. You'll hear from a special guest minister or missionary who will share her heart and offer practical next steps. Prayerfully consider where God is calling you to make a compassionate difference - through prayer, giving, and action!

Please indicate your #1 and #2 choices

- FOSTER/ADOPT with Jen Kinnamon**
When someone experiences abuse or neglect in their childhood, and they end up in the foster care system, statistically the impact leads to an array of negative outcomes. Foster families that willingly open their homes and hearts to care for these children can't do it alone. Learn what you and your church can do to provide support for the families and sow seeds of hope into a life, so a child can experience the unconditional love of God and a hope they can hold onto in their unknown future.
- WIDOWS with Cindy McKinley**
Deuteronomy 4:29 says, "Give to the fatherless and widows in your towns so they may eat and be satisfied. Then the Lord your God will bless you in all your work." God has clearly given us a mandate to care for the widows. This session will open your eyes to the countless needs a widow faces every day and will provide you with practical ways to fulfill God's mandate to care for those who have been neglected.
- ABORTION RECOVERY with Sheila Harper**
Learn how the abortion issue has affected every family in our churches, and how we can help men, women, and families recover after abortion. This issue has been political for far too long. We will show you how to take this issue back from politics and instead of offering a divisive and controversial response, you can offer a compassionate Christ-like response.
- INCARCERATED with Marilyn Taylor**
Jail. Prison. Incarceration. Places most of us never have to, nor want to, think about. To Jesus, they represent people that He loves, wants to rescue, and has a plan for. In our time together you will hear how God is getting the message of salvation into a local jail & prison. You will be given ideas on how to effectively share that same message with the hurting & broken people around you. You will be challenged to seek God's call on your life as He calls you to reach outside the church walls with the good news of Jesus.

SWEET IN EVERY SEASON // CHOOSE A CIRCLE

You'll be given an opportunity to connect in conversation with those in similar seasons of life, savoring the sweetness of God, in the highs and lows.

Although more than one may apply, pick the circle you'd most like to connect with! We'd like a handful of participants per circle, so please choose a first and second option in case we need to consolidate.
